

Staff Dress Code

Employees of Archuleta School District 50 JT project an image to the community and to students about the professionalism of the district. During the workday and at all work-related activities, employees shall be neat and clean in appearance. In no case shall the district standard for employees be less than that prescribed for students as published annually in the district's student dress code, refer to policy JICA. Principals/supervisors or delegated individuals are expected to counsel staff assigned to their location on appearance and conduct. The principal/supervisor or delegated individual has the responsibility to determine what is professional attire.

Exceptions

Appropriate athletic clothing may be worn when teaching or assisting with outdoor learning activities physical education classes, or when coaching athletic activities.
