

Gifts to and Solicitations by Staff

Gifts

Gifts from students: Teachers and other employees of the Board shall not accept gifts from students except as such gifts represent tokens. The district considers letters from students to expressing gratitude and appreciation to be appropriate.

Gifts from staff members to staff members: Individual employees shall refrain from giving gifts of substantial value to staff members who exercise any administrative or supervisory jurisdiction over them, either directly or indirectly. Generally, the collection of money for group gifts shall be discouraged except in special circumstances such as bereavement, serious illness, or mementos at retirement.

Gifts from companies: All district employees are prohibited from accepting gifts of other than nominal value from companies or organizations doing business with the school district. Exceptions to this policy are the acceptance of minor items which are generally distributed by the company or organization through its public relations program.

Solicitations

No organization may solicit funds of staff members within the schools nor may anyone distribute flyers or other materials related to fund drives through the schools without the approval of the superintendent. No staff members shall be made responsible or assume responsibility for the collection of money or distribution of any fund drive literature within the schools without such activity having the superintendent's or designee's approval.

The district expects such activities to be kept to a minimum.
