

Classroom Use of Audio-Visual Material

Audio-visual materials for school classroom use shall be selected by the appropriate professional personnel in consultation with the building administrator.

Materials shall be selected which will enrich and support the curriculum and personal needs of the users, taking into consideration the varied interests, abilities, learning styles and ages.

Teachers are encouraged to use materials located in the Board of Cooperative Services film library and other appropriate educational libraries.

Use of films or videos from commercial or private collections shall require the prior approval of the building principal.
