

Title I Parent Involvement

Pursuant to federal law, the district and the parents of students participating in Title I district programs have jointly developed the following parent involvement policy. The policy shall be implemented by the superintendent or designee according to the timeline set forth in the policy and incorporated into the district's Title I plan.

Involvement with Title I planning

The district shall hold an annual meeting for parents of students in Title I programs, as well as school Title I staff, principals of schools receiving Title I funds and other interested persons to discuss the Title I program plan, review implementation of the Title I plan, discuss how Title I funds allotted for parent involvement activities shall be used, and invite suggestions for improvement.

District support for parent involvement

The district shall provide coordination, technical assistance and other support necessary to assist participating schools in building the capacity for strong parent involvement to improve student academic achievement and school performance.

This coordination, assistance and support shall include:

- the designation of a District Parent Involvement Coordinator
- adoption of district model approaches to improving parental involvement at the school level

The district, with the assistance of parents, shall develop and implement a district professional development plan to enhance the skills of teachers, pupil services personnel, principals and other staff in:

- the value and utility of contributions of parents
- how to reach out to, communicate with, and work with parents as equal partners
- implementing and coordinating parent programs
- building ties between parents and the school

Coordination of parent involvement activities with other district programs

The district shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, Early Reading First, Even Start, the Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, and district preschool and other programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their students.

Student learning

The district shall coordinate and integrate Title I parental involvement strategies with those of other educational programs in the district. The purpose of this coordination shall be to improve the academic quality of the schools served, including identifying barriers to greater participation by parents in activities authorized by law, particularly by parents who:

- are economically disadvantaged
- have disabilities
- have limited English proficiency
- have limited literacy
- are of any racial or ethnic minority background
- are parents of migratory children

Each Title I parent will be contacted regarding their participation on the school accountability committee. A special emphasis will be made to include those of a racial or ethnic minority background.

The district shall provide to parents, as appropriate, information to help them understand the state's academic content and achievement standards, state and local academic assessments, the requirements of Title I, how to monitor students' academic progress and how to work with school staff to improve the achievement of students. The district shall develop written materials and training for staff to help parents work with students to improve student achievement.

The district will provide opportunities for training parents whose children are enrolled in the Title I program for the purpose of promoting the education of these students at home as well as at school.

School-based parent involvement activities

- Parents are welcome in the school, and their support and assistance are sought.
- Communication between the home and school will be regular, two-way and meaningful.
- Parents are partners in the decisions that affect children and families

Method of communicating with parents

All information related to school and parent programs, meetings and other activities shall be sent to parents in a format and, to the extent practicable, in a language the parents can understand.

Annual evaluation

The district shall conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this policy. Effectiveness shall be measured in part by improvements in student academic achievement and in school performance.

The evaluation shall specifically address barriers to greater participation by parents in activities authorized by law, particularly by parents who:

- are economically disadvantaged
- have disabilities
- have limited English proficiency
- have limited literacy
- are of any racial or ethnic minority background
- are parents of migratory children

The district shall use the findings of the evaluation to design strategies for more effective parental involvement and to revise, if necessary, this policy.

The district shall provide such other reasonable support for parental involvement activities as parents may request.

Development of school-level Title I parent involvement policy

Each school receiving Title I funds shall jointly develop with and distribute to parents of students participating in the Title I program (hereafter referred to as “parents”) a written School-Level Title I Parent Involvement Policy agreed upon by the parents in accordance with the requirements of federal law.

The policy shall contain a school-parent compact or agreement that outlines how parents, school staff and students will share the responsibility of improved student academic achievement and the means by which the school and parents will build and develop a partnership to help students. At a minimum, the compact shall include the provisions contained in the sample exhibit attached to this policy.

Adopted: November 11, 2003
