

Name Changes

This policy outlines the process by which students may change the name they are referred to at school to align with their gender identity. Students may choose to be identified in school by the first name that they have designated in accordance with this policy, and may request a change to their name or gender on their official student record through regulation JRA/JRC-R.

Definitions

- a. **“Chosen Name”** as defined in Colorado law, is any name a student requests to be known as that differs from the student’s legal name, to reflect the student’s gender identity.
- b. **“Legal Name”** is an individual’s legal name as it appears on official government documents such as licenses, passports, and birth certificate.

Use of a Chosen Name or Preferred First Name

The Board directs the superintendent to establish procedures allowing students to inform the school of their chosen name (or a preferred first name such as a nickname) without altering their official name in school records. Students will not be required to provide proof of a legal name change to select a chosen or preferred name for use at school and during extracurricular activities, and do not need parental approval. Parents will be notified of their student’s desire to change to a preferred name, exemptions to parent notification will only be made in cases where there are confirmed child safety concerns, as deemed appropriate by the building administrator(s) and counselor(s).

Personnel must strive to use the chosen or preferred name of all students. The district understands that honest mistakes may occur, but the intentional or knowing refusal to use a student’s chosen name (for example, intentionally referring to the student by their legal name, another name that does not correspond to the student’s gender identity, or avoiding use of their name) is prohibited under this policy and under Colorado law.

The district reserves the right to deny a preferred first name if it is vulgar or offensive, obscene, or is used for misrepresentation.

Name Changes on Official Student Records

The district is required to maintain a permanent student record (“official record”) that includes a student’s name and gender. Students or parents who wish to alter the student’s name or gender must follow the process in JRA/JRC-R. The district will not process a name change on a student’s official record without a parent signature or a

court order.

Students who request a name change that is different from their legal first name agree that the designated name is, or will be, truly used to identify themselves. A name change cannot be used for any illegal purpose.

Disclosure to Third Parties

Information about a transgender student's gender identity, legal name, or sex assigned at birth may constitute confidential personally identifiable information. Disclosing transgender status to students, staff, or third parties may violate privacy laws, such as the federal Family Educational Rights and Privacy Act (FERPA). Accordingly, the district will work with students and their families to keep personally identifiable information related to gender identity confidential in accordance with state and federal privacy laws.

In situations where school staff or administrators are required by law to use or to report the legal name or biological sex of a student who is transgender but whose official record has not been amended, school staff and administrators must adopt practices to avoid the inadvertent disclosure of such confidential information.
