

## Notification of School Board Meetings

The Board shall give full and timely notice to the public of any meeting of three or more Board members at which public business may be discussed or any formal action taken, including special, regular and work session meetings and retreats.

At its first regular meeting of the calendar year, the Board shall designate the public place or places at which notice of all Board meetings shall be posted if the Board is unable to post notice of a Board meeting online due to exigent or emergency circumstances such as a power outage or an interruption in Internet service. In the event such action is not taken annually, the designated public places used in the previous year shall continue as the official posting sites.

At a minimum, the Board shall cause notice of regular and special meetings and work sessions to be posted on the district's website no less than 24 hours prior to the meeting. This notice shall include specific agenda information where possible.

The district shall maintain a list of persons who, within the previous two years, have requested notification of all meetings or of meetings when certain specified policies will be discussed. These individuals will be provided reasonable advance notification of Board meetings.

### Notice to the Board

The superintendent or designee shall provide the agenda, together with meeting materials and the minutes of the last regular meeting, to Board members no later than five (5) calendar days before the next regular meeting. There may be additional documentation updated and/or added to the agenda after the posting of the agenda but within 24-hours prior to the meeting.
