

## **School Board Member Compensation/Expenses/Insurance/Liability**

Board members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Board, Board members may be reimbursed from district funds in accordance with the Board's policy on expense authorization and reimbursement.

The Board shall purchase liability insurance and errors-and-omissions insurance to protect its members individually and collectively for claims made against them as a result of their membership on the Board.

The Board shall rely on the Colorado Governmental Immunity Act, C.R.S. 24-10-101 *et seq.* (the Act) as the statement of its obligation to defend and indemnify Board members. If the Board elects to provide for the defense of a Board member in a claim which alleges willful and wanton conduct by the Board member, the Board may require the Board member to post a reasonable bond to ensure reimbursement of any amounts advanced, in accordance with the Act.
