

## **Bus Emergencies**

The director of transportation shall have the authority to alter or suspend, with prior approval of the superintendent, transportation service due to hazardous weather or road conditions.

In case of hazardous weather or unsafe road conditions, the bus driver has the authority to *temporarily* alter or suspend transportation services. In case of an emergency, the bus driver should make every effort to contact local school officials.

The director of transportation shall report all accidents involving a school vehicle as soon as possible to the proper authorities and to the superintendent.
