

School Nutrition Program

The district will operate a school nutrition program in its schools which shall be under the overall supervision of the district's director of nutrition services.

The director of nutrition services shall cooperate with each school principal in matters essential to the proper functioning of each school's nutrition program. The responsibility for control of students using the school cafeteria shall rest with the building principal.

Nutrition services shall provide lunches and breakfasts, through participation in the National School Lunch Program.

The Board shall approve the prices set for meals and the price of beverages.
