

Support Staff Salary Schedules

The Board shall establish salary schedules for classifications of the support staff.

Such schedules shall take into account the qualifications required, the responsibilities of the position and the number of years the employee has been in service with the district. Salary incentives for classified staff members who obtain training to improve their job-related skills will also be provided.

If the Board declares a fiscal emergency during a budget year as allowed by state law, it may reduce salaries for all employees on a proportional basis or alter the work year of employees. Any such reduction in salaries may be made notwithstanding any adopted salary schedule or policy.

Annual increments shall be dependent upon the employee's satisfactory performance in the position. Advancement from one step to another on the schedule shall require the superintendent's recommendation and Board approval.
