

## Student Dress Code

Parents and students shall be allowed considerable freedom in determining the manner in which they dress at school. Items that are deemed disruptive to the classroom environment of a safe and orderly school are not acceptable in school buildings, on school grounds, or at school activities.

Any clothing, paraphernalia, grooming, jewelry, accessories, or body adornments that are or contain any advertisement, symbols, words, slogans, patches, or pictures that promote any activity prohibited by the student code of conduct are not permitted. Clothing must cover all undergarments (with the exception of shoulder straps) and cover all private parts of the body. Clothing that should be worn as an undergarment cannot be worn as an outer garment.

Students shall dress appropriately for the designated learning environments such as shop, lab work, physical education, art, and extracurricular activities.

Any student deemed in violation of the dress code shall be required to change into appropriate clothing or make arrangements to have appropriate clothing brought to school immediately.

Building principals shall have authority to impose reasonable rules concerning dress that are consistent with this policy.
