

Visitors to Schools

The district will make reasonable efforts to accommodate requests to visit the district's schools, yet also recognizes concerns for the welfare of students. Therefore, the district limits visitors to:

1. Parents/guardians of current students;
2. Other family members of current students who are approved by the student's parent/guardian; and
3. Board members and other persons invited by the district for official business purposes.

In order to ensure that no unauthorized persons enter buildings with wrongful intent, all visitors to the schools shall report to the school office when entering, show proper identification and reason for being at the school. Visitors must wear name-tags which identify them as visitors. This will not apply when parents/guardians have been invited to a classroom or assembly program.

To promote the general health, welfare and well being of all who enter school property, and pursuant to state law, smoking, chewing or any use of tobacco products by staff, students, or visitors is prohibited on all school property.

The district shall notify the public in an appropriate manner that persons violating the criminal law by using, selling or distributing any controlled substance on school grounds, on school buses transporting students or within 1,000 feet of the perimeter of the school grounds shall be subject to enhanced criminal penalties.
